NEW PLYMOUTH CLASSICAL GUITAR SOCIETY INC

The inaugural meeting of classical guitar enthusiasts was held on the 30th May 1997 closely followed by a second gathering on the 7th June at the Park City Church (a place that would be a long time meeting and concert venue) . Members played their first piece of music as an ensemble at that meeting ... a little number called 'Awake Sweet Love'.

The first public appearance of the Guitar Society was during the Rhododendron Festival where they played at Pukeiti. This event was described in the President's report as "a steep learning curve for all but with some positive aspects".

Performances by the Society's members have been numerous and varied with yearly performances at the Festival of Lights; throughout the year regular recitals at resthomes, hospital, fairs, markets, garden parties, special events such as the Walk for Life fundraiser. Some members have joined together as a quartet, now called 'Six by Four', and two are a duet called 'Guitarra'. Both have gone on to secure regular performance slots throughout Taranaki.
